Get exclusive discounts on selected test and measurement Megger products. Experience high-accuracy tools from the global manufacturer of electrical test and measurement instruments with over 130 years of expertise.

Megger MPU690 Proving Unit

360 AED

DCM300E earth leakage clamp meter
(30 mA, 300 mA, 30 A, and 300 A)

1585 AED

Megger DCM310
400A AC Digital Clamp meter

275 AED

Megger DCM320
400 A AC Clamp meter

365 AED

Megger DCM340
600A AC/DC Clampmeter

599 AED

Megger PVM210
Irradiance meter

390 AED

Megger LTW335
Loop impedance tester

2400 AED

Megger RCDT220
Residual current device tester

2250 AED

Megger LRCD220
Combined loop and RCD tester

3700 AED

Megger PAT350-UK
Portable Appliance Tester

360 AED

Megger DCM1500
1500 A TRMS clamp meter

1025 AED

DCM1500S Solar Clamp Meter
1500 A AC/DC

1100 AED

Megger MLM50
Laser Distance Meter 50M Range

270 AED

Megger AVO215 multimeter
PocketSize TRMS AC/DC 600 V

170 AED

FCC3450 Clamp meter
3000 AC flexible clamp

900 AED

Megger tools are designed for electrical professionals, our low-voltage testing tools ensure safe, fast, and accurate verification across domestic, commercial, and industrial installations, helping you meet compliance requirements with confidence and efficiency.

Megger's low voltage installation testing range is built to help electrical professionals carry out safe, accurate, and compliant testing across domestic, commercial, and industrial sites.

Megger equipment keeps you moving without compromising safety or standards.
